At Home

In preparations for Ramadan, Penny Appeal Canada assembled and delivered grocery hampers to food-insecure Muslim families in Alberta. The 70 lbs grocery hampers consisted of staple food items including milk, eggs, bread, beans, and chicken so families would have plenty of food for iftaar and suhoor throughout the month of Ramadan.

To provide additional support to food-insecure Muslim families, Penny Appeal Canada also distributed grocery gift cards in Ontario and Alberta. These gift cards allowed families to purchase their own groceries for the month of Ramadan.

During the month of Ramadan, with the help of Canada Basketball and #TeamOrange, Penny Appeal Canada distributed iftaar meals to families right here At Home in Ontario, Alberta, British Columbia, Nova Scotia, and Saskatchewan. Together, our goal was to ensure Canadians from coast to coast are able to break their fast with their families. With your generous donations, we were also able to empower local businesses by purchasing the iftaar meals from restaurants in the region we distributed iftaars.

PALESTINIAN DATES

Our **Palestinian Medjoul dates** were back by popular demand, with our two new designs this year; **The Blue Mosque of Turkey and Shah Faisal Mosque of Pakistan**. These dates are cultivated in the ancient lands of Jericho in the West Bank of Palestine. Purchases made went towards supporting Palestinian farmers and our Feed Our World program. We sold out completely with **100% of profits** going towards our **Feed Our World** program.
