1.

**Spend some time outside** at night with family and friends. Think of what it would be like living in a tent together outside in Mina.

**Kids:** look out for constellations, and build a tent with pillows

2.

**Skip stones on water.**

Think of how Ibrahim (as) threw them at Shaitan to ward off thoughts of disobeying Allah.

3.

**Run (or walk!) 3.15km.**

Think of how Hajar felt running this distance between Safa and Marwa looking for water.

**Kids:** run/walk 450m, which is the distance one way between Safa and Marwa

4.

**Fast and make dua** between Dhuhr and Asr on the day of Arafah.

**Kids:** fast as long as you can and make dua with your parents

5.

Think of the feelings Ibrahim and Ismail must have had in fulfilling the command of Allah.
