2026 Ramadan Report

As the final days of Ramadan fade into memory, we want to thank Allah (SWT) for granting us another month of mercy and to you for helping us carry that mercy to those who need it most around the world.

This year's Ramadan felt especially heavy. The pain of our brothers and sisters in Gaza continues without reprieve. Each day brings more unimaginable loss and hardship. In Sudan, too, families are caught in the grip of a heartbreaking conflict. These crises which constitute the two largest humanitarian issues in the world right now remind us that the global scale of need is not only urgent, it is growing. And that makes your compassion, your generosity, and your continued support more precious than ever.

Throughout the month, our Feed Our World program remained at the heart of our efforts, helping to serve food, comfort, and hope to families in food insecure circumstances worldwide. Your kindness meant that countless people sat down to an iftar meal that might otherwise have remained out of reach. In those moments of relief and gratitude, your impact was deeply felt.

Every statistic in this report carries a heartbeat behind it: a child eating their first full meal in days, a widow breathing easier knowing her family will be fed, a community remembering that they have not been forgotten. These are your victories.

At Penny Appeal Canada, we do not take your trust lightly. The 2026 Ramadan Report is more than a reflection of what we've accomplished; it's a reaffirmation of our promise to act with integrity, transparency, and responsibility for every penny entrusted to us by you.

Thank you for making us your charity of choice this Ramadan.

At The Hospital for Sick Children (SickKids) in Toronto, Ontario worried parents spend long days and sleepless nights by their children's bedsides. This Ramadan, Penny Appeal Canada was there to bring them a small but meaningful comfort.

We provided **840** warm iftar meals to families with children as patients and a heartfelt reminder that despite the stressful period in time, they are not forgotten.

Community Dinners and Iftars

13175 hot meals served across **5 provinces and 17 cities**

This Ramadan, Penny Appeal Canada continued to bring communities together through powerful spiritual and educational experiences across the country.

In the final ten days of Ramadan, Qari Mohammad Ayyub Asif embarked on a cross-Canada tour, inspiring our brothers and sisters everywhere with his powerful Maqamat and recitation of the Holy Qur'an. Through these gatherings, worshippers were reminded of their shared faith, compassion, and the blessings that come from coming together in remembrance of Allah.

We also wish to acknowledge that, due to health concerns, we were unable to move forward with several scheduled events featuring Imam Siraj Wahhaj. We kindly ask you to keep him in your du'as. Imam Siraj has been a pivotal figure in North America's Muslim community, an inspiring leader who has touched countless hearts. May Allah grant him a full and speedy recovery.

As part of our commitment to raising awareness and support for the Gaza Emergency Response, Penny Appeal Canada also hosted thought-provoking conversations to engage Canadians in meaningful dialogue about justice and humanity. Dr. Norman Finkelstein spoke to packed audiences in Mississauga and Vaughan, shedding light on the situation in Gaza and encouraging collective action for peace and relief. We extend our heartfelt gratitude to Ginella Massa and Dr. Farhan Chak for their invaluable support throughout the tour with Dr. Finkelstein.

Thank you to our partners and collaborators for making these events possible!
