WHEN?

Start Date: May 27th, 2026 (10th Dhul Hijjah)

End Date: May 30th, 2026 (13th Dhul Hijjah)

WHY?

One of the most significant observances during Dhul Hijjah is the practice of Qurbani, which takes place on Eid al-Adha (The Feast of Sacrifice). This tradition commemorates the ultimate act of sacrifice and submission displayed by Prophet Ibrahim (A.S) when he was commanded by Allah to sacrifice his son, Ismail. This year's Qurbani has been one of somber reflection and gratitude. Many of your thoughts are with the people of Gaza and Sudan. However, this year, we are particularly gracious to our supporters for enabling us to bring the joy of Eid-Al-Adha to families worldwide.
